Message from the Worshipful Master

Greetings Brothers, We are going to have our stated meeting on June 4th. Masks will be required for the meeting so bring your own. None provided. The building has been closed for 8 days with no traffic so it is safe. There will be hand sanitizer provided for those who want.

The Saint Joseph County 4-H Fair has officially been canceled so we will not be working the two shifts for the Lakeville Lions and lose that opportunity for income. Our other fundraisers have been postponed until further notice.

Spring is finally here and the grass and the flowers are growing Yeah! For those of us who garden we can plant but that also means it is time for weeds and they always seem to do better than my plants. I will win the battle. This Coronavirus has changed our lives and certainly it is still not over. If you have a need or there is something we can do to help please feel free to contact me or one of our Brothers and we will try to accommodate your situation. Brothers, keep the Faith and may God Bless each and every one of you!

Fraternally, Max Feitz W.M.

Message from the Worthy Matron

Greetings!

I hope this finds each of you well and enjoying the warmer weather!

This has certainly been an unusual couple of months for our Order. I want to thank Sisters Chris and Roberta for their efforts in assuring our bills and other Chapter obligations have been met during the time we have been unable to get together.

By now you may have heard that Grand Chapter has been cancelled for this year and that the current Grand Officers will remain in place for another year. At our July meeting, we will need to decide what this means for the election of our own corps of officers. Our meeting will be casual, masks must be worn, and we will honor social distancing guidelines. No refreshments will be provided.

Sisters and Brothers, please consider your own health issues and make your own decision about whether you want to join us at the July meeting. We will all certainly understand if you feel it is better to stay at home. Your health and safety and that of those you love is the most important thing!

Barb
